

2022 AUSTRALIAN DISABILITY SERVICE CONFERENCE

9 NOV 2022 - GOLD COAST, AUSTRALIA

Proudly hosted by

Sponsored by

EVENT OVERVIEW

One Community and major sponsor, Tender Loving Cuisine are proud to present the second annual Australian Disability Service Conference. This event forms part of the Australian Disability Service Conference & Awards known as ADSCA. The Conference will help facilitate connections within the disability service sector, as well as inspire best practice via peer to peer content delivery. One Community is pleased to open the call for abstracts.

EVENT PURPOSE

The Australian Disability Service Conference, otherwise known as ADSC brings together the diversity of the disability service sector in a conference for the workforce by the workforce. Delivering creative and **innovative** content, service providers will **collaborate** for the purpose of **initiating** change and transformation to the landscape of disability services in Australia.

NAME	Australian Disability Service Conference

CALL FOR ABSTRACTS

Abstract submissions are required to:

- Address a demonstrated practice and/or;
- Put forward evidence based research on conceptual models of success.
- Each submission is required to address one theme only. The themes are as below:

1. COLLABORATION – PROVIDERS PARTNERING FOR IMPROVED NDIS PARTICIPANT OUTCOMES

- *Showcasing creativity and success in collaboration and partnerships involving multiple service providers whilst ensuring participant choice & control is at the centre of decision making. Why collaboration is not only good for the participant outcomes, but also for business.*

2. CREATIVE SERVICE DESIGN & DELIVERY - BREAKING THE MOULD ON TRADITIONAL SERVICE

- *Thinking outside the box and breaking tradition with creative, person-centred service design and delivery. How planning & strategy as well as embracing technology has led to business innovation.*

3. PEOPLE & CULTURE - CREATING A WORKFORCE OF THE FUTURE

- *Showcasing innovative ways to attract & retain a workforce; shaping high performing and productive teams; contemporary leadership styles; developing a culture of diversity & inclusion; investing in positive workplace culture. How to support teams through transition to a digital future of reporting, record keeping and compliance.*

SELECTION CRITERIA GUIDELINE

CRITERIA 1	Is the abstract topical in the sector right now
CRITERIA 2	Has the abstract clearly aligned with the selected theme and overall purpose of the event
CRITERIA 3	Has the abstract provided a practical demonstration (case study) of success or provided evidence-based research, concepts or principles that can be applied in the sector
CRITERIA 4	Has the abstract demonstrated how the case study or research is different or innovative to current practice
CRITERIA 5	Has the abstract demonstrated how the presentation will be relevant and engaging for the audience (keeping in mind the audience is likely to be made up of a diverse range of service providers)
